

## 2017 Activity Scholarship Application

Please be advised that all required documents must be completed for the scholarship to be processed and separate applications and fees are required for each individual participant.

Please choose one of the three following that best describes your child's membership status:

1. My child has never received a membership scholarship from the Club OR my child's membership will expire before the end of the program.

- Please fill out the Membership Scholarship Packet and an Activity Registration Form.

2. It has been less than one (1) year since my child received a membership scholarship approval notification and the membership will remain active for the duration of the program.

- Please fill out an Activity Registration Form and provide the following:

Child's Name _____	Date of Birth _____
Membership Expiration Date _____	Program End Date _____
