2022-23 KINDERGARTEN-2ND GRADE BASKETBALL REGISTRATION

K-2nd Grade Basketball

This league focuses on player development. The intent is for coaches and parents of the players to spotlight the process of playing the game, rather than the score. The measurement of success in this league is the players' improvement of ball skills, understanding of the rules of the game, playing fairly, and learning general game principles.

Teams will play a 6-8 game season. Score is not kept, and games are played in a 3 on 3 format using 8-foot goals on a short court. All 2nd graders use a 3 on 3 format with 8-foot goals on a short court.
